

POOL WORLD'S "FREE REPAIR SERVICE"

- For product purchases effective January 2008
- For any products purchased at a Pool World retail location.
- No labor charge for repair service for in house repairable products bought at Pool World
- Product must be brought to and picked up by customer at Pool World's service center (located in Burlington VT)
- Original Proof of Purchase is required
- Charges will apply only for parts or materials used for repair
- Product failure due to misuse, neglect or improper water chemistry is non-qualifying
- Only Pool World's technicians will determine if product is repairable
- Product is deemed non-repairable if Pool World no longer offers the product for sale
- Product is deemed non-repairable if Pool World's distributors no longer offer required parts
- If on site repairs are requested or required, normal labor charges and location fees will apply
 - On site repair service will require prior credit card authorization
