Please be advised that a pool opening service is a preventive maintenance and does not in any way guarantee the continued quality or future use of the pool, its equipment, plumbing, or interior finish. Pool opening prices are labor only and do not include opening chemicals or other materials required.

*Important Note: Your pool has been without filtration, vacuuming, brushing and chemical treatment all winter, it is important to understand that your pool will **not** be swimmable the day of opening. You will have to run your filter continuously until the water is crystal clear. You may also have to vacuum, brush and clean your pool filter several times to remove the winter's accumulation of debris. You should bring samples of your pool water to any Pool World location for free professional analysis and adjust water chemistry as required.*

**5) Payment and Services Authorization:**

**\*Please note:** Regardless of how you choose to pay for your services, a credit card # is required to schedule any & all services. You have the option to pay by check at the time of service. If there is no check at the time of service, your credit card # that you have provided here will automatically be charged for the service.
